

IN THE HIGH COURT OF JUDICATURE AT BOMBAY
O.O.C.J.

WRIT PETITION NO. 3167 OF 2004

Parvez Ahmed Khan

... Petitioner

Vs.

M/s. Glaxo Smithkline Pharmaceuticals
Ltd. and anr.

... Respondents

Mr. Vinod Shetty for Petitioner.

Mr. P.K. Rele i/by Piyush Shah for Respondents.

CORAM : F.I. REBELLO,J.
DATED : DECEMBER 10, 2004

P.C .

. The Petition impugns the orders of the Tribunal which refused to grant any relief in the matter of apprehended termination. The tribunals have held that the petitioners failed to make out strong prima facie case warranting grant of relief as prayed for. An enquiry was initiated. On behalf of the respondent, learned counsel points out that the enquiry has been concluded. The Petitioner did not participate in the enquiry . Considering the impugned orders, I do not find that the orders suffer from any error apparent on the face of record and therefore, no interference is called for. Petition dismissed.
